Ordering Before placing an order, use one of the mounting worksheets to measure your helm and take photos. From the measurements and photos we will help you determine the best belt size and parts needed for your installation. **We cannot ship an order without your helm measurements.** Mounting worksheets are available on the website.

Sales Tax Sales tax is charged on all orders delivered in California.

Delivery Orders are usually shipped within one week of receipt of payment and measurements but may take longer. Let us know your schedule early in the ordering process so that we can accommodate you.

Terms Payment by credit card, check, or by funds wired directly to our bank.

All returns are subject to a 15% restocking fee. Returns will not be accepted unless scheduled in advance with CPT Autopilot Inc; unit must be returned in new condition in original packaging within 90 days of purchase. Sender assumes responsibility for return shipping charges and any damage in shipping.

Shipping $50 to lower continental United States.

Domestic shipping via UPS Ground service with signature required unless otherwise requested. Alaska, Hawaii, and all international locations as-per quote.

Limited Warranty

New units are warranted for one year against defective materials and workmanship. The customer is responsible for shipping charges to and from the factory for warranty repairs. It is the responsibility of the sender to ensure that the autopilot is packed to ensure that there is no damage in transit.

Prices, design, and specifications are subject to change without notice. Neither manufacturer nor seller shall be liable for any damage to yacht, persons, or property due to misuse or failure of the CPT.
